

## **Bruder klaus field chapel ( II )**

**Designed by Peter Zumthor**

**Members: Liuyeqing \ Sunchong**

**Totally speaking: he met the requirement of the function of the building perfectly, by the design of light、material、space and the method of building。**

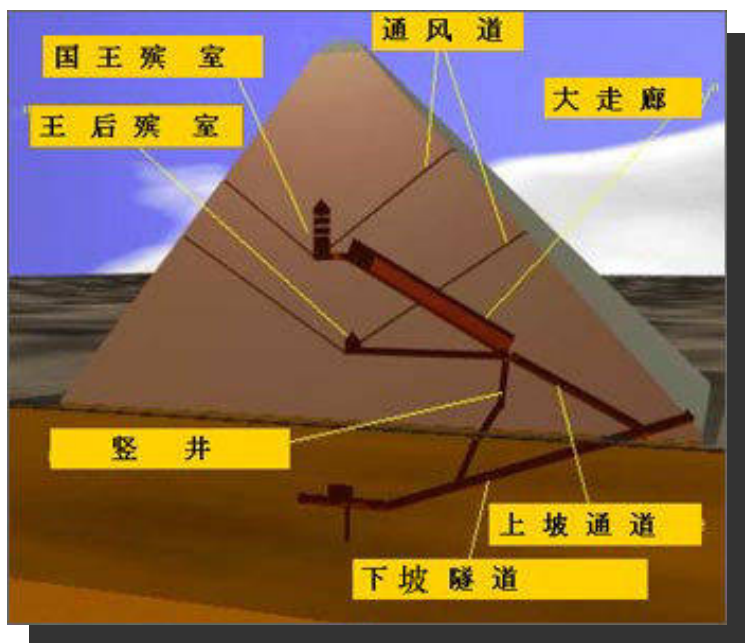

# Function ?

1、 in honor of their patron saint, the 15th-century hermit Bruder Klaus

2、 a place for thinking

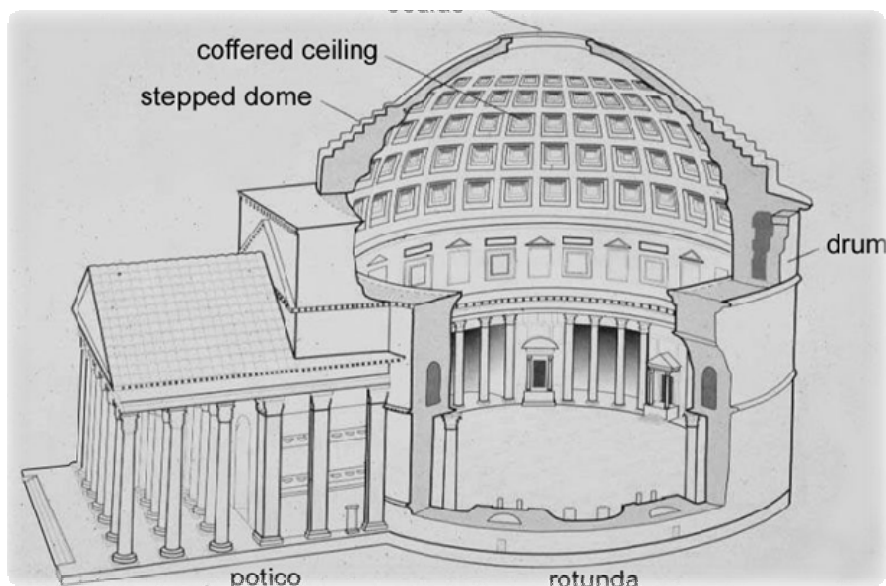

# Pyramid (埃及金字塔)

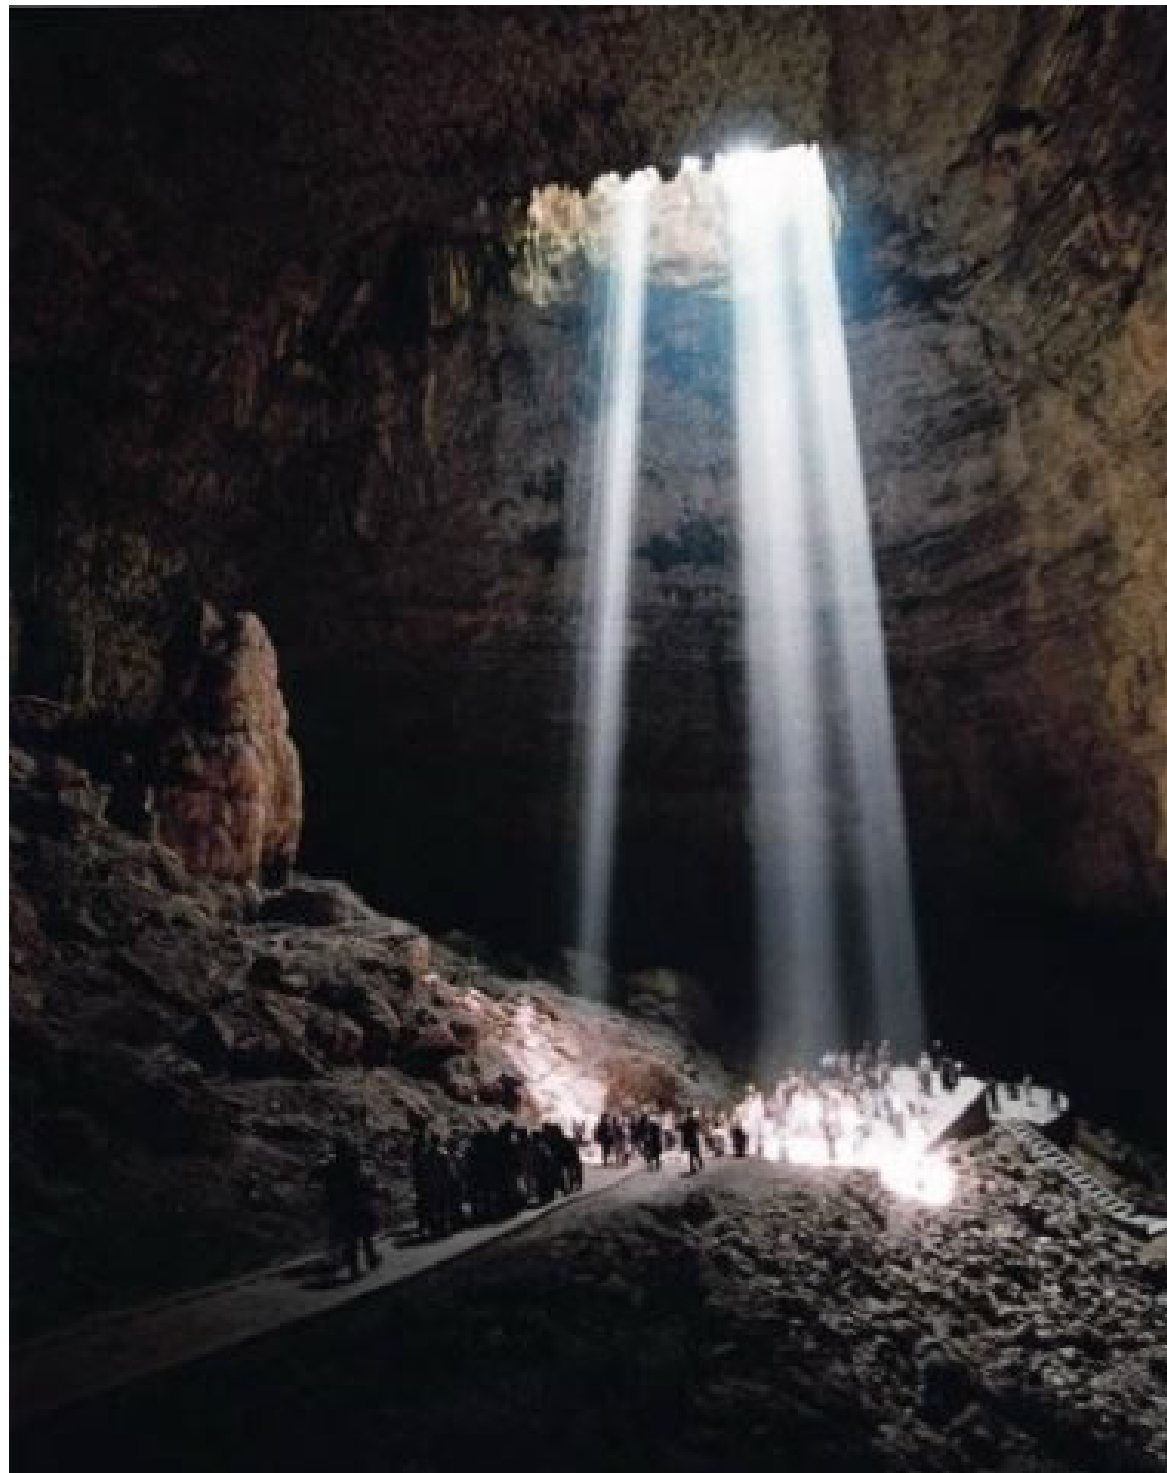

# Roman Pantheon (罗马万神庙)

## Generally speaking

- 1、 the architecture is built for the people, it does exist for the people
- 2、 a method of designing space
- 3、 the spirit of creation

**Thank you for your attention!**
